

POPI ACT: PARENT CONSENT FORM

Dear Parent

Due to the Protection of Personal Information Act (POPIA), you are required to sign this letter in order to provide consent/permission to have your Financial Statements released to a possible donor. This is to evaluate the gross family income for the student's eligibility to be considered for funding. Please note that the University will require that any such donor acknowledge their compliance with POPIA prior to sharing any financial / personal information with the donor.

Kindly indicate below if you hereby grant permission to have the statements, biographical and any other relevant information submitted to a potential donor. Note that it is in your interests to provide the information to ensure that the student is considered for funding opportunities. If you do not provide the information, the applicable student may be deprived of an opportunity to receive funding.
