## HOW TO USE THIS CALENDAR

The following provides an overview of the structure of this Calendar to guide users.

### **General Information**

This section provides the contact information for the Faculty and University.

### **Degrees and Diplomas conferred in the Faculty**

This section provides information on each of the qualifications conferred in the Faculty.

### **Explanation of the National Qualifications Framework (NQF)**

This is a brief section on the NQF levels and qualification types.

### **Faculty Board and Faculty Office Staff**

This section lists staff members who constitute the Faculty Board and Faculty Office staff members.

### **Lecturing and Technical Staff**

A comprehensive Faculty staff listing per Department, Centre, Institute, School or Unit is provided.

### **Rules for Programmes**

This section provides information on the rules for each academic programme at undergraduate and postgraduate level offered by the Faculty. In each year level, and depending on the programme for which a student is registered, they are required to complete and pass a certain number of credits in order to promote to the next level of study. Promotion requirements per programme can be found in this section. These rules should be read in conjunction with the academic rules (Section 3) of the General Calendar (Part 1). Students should acquaint themselves with the rules in both Calendars and annually check for rule and curriculum changes.

### **Module Descriptors**

This section provides information on all the modules offered by the Faculty at undergraduate and postgraduate level. Module descriptors contain information which relate to the main outcomes and content for each module, including the credit value and NQF level of the module and pre-requisite and co-requisite modules. It is set in alphanumeric order per Undergraduate and Postgraduate offering. An alphabetical listing of all modules can be found in the module descriptor index.

### **Pre-requisite and Co-requisite Modules**

A pre-requisite module is a module that must be passed prior to a student being admitted to a higher module or the following year of study as determined in the faculty yearbook.

A co-requisite module is a module that must be passed prior to or simultaneously with another associated module before credit can be granted for the latter module. Requirements are provided in each module descriptor.

### **Explanation of Symbols and Remarks on Academic Transcript**

This section provides an explanation of the symbols used and the remarks on the academic transcript.

## EXPLANATION OF THE NATIONAL QUALIFICATIONS FRAMEWORK

The National Qualifications Framework (NQF) is “a *single integrated system for the classification, registration, publication and articulation of quality-assured national qualifications*” as stipulated in Section 4 of the NQF Act, 2008 (Act No 67 of 2008).

The National Qualifications Framework (NQF) has ten levels of which Higher Education qualifications occupy 6 levels of the NQF, namely Levels 5 to 10.

Levels 5 to 7 comprise the undergraduate qualifications (with the exception of the Professional Bachelor’s Degree at Level 8) and Levels 8 to 10 comprise the postgraduate qualifications.

<b>NQF LEVELS</b>	<b>QUALIFICATION TYPES</b>
<b>5</b>	Higher Certificate
<b>6</b>	Advanced Certificate Diploma
<b>7</b>	Advanced Diploma Bachelor’s Degree
<b>8</b>	Honours Degree Postgraduate Diploma Professional Bachelor’s Degree
<b>9</b>	Master’s Degree Professional Master’s Degree
<b>10</b>	Doctoral Degree Professional Doctoral Degree

As cited in the Higher Education Qualifications Sub-Framework (CHE, 2013)

## D.204 ASSESSMENT

Unless the Senate decides otherwise, the following shall apply:

**D.204.1** To be admitted to the examination for a module, a student must obtain a coursework mark of at least 50% for the applicable module, or must comply with Rule A.5.3.5 - A.5.3.9.

**D.204.2** The final mark for each module is composed of either:

- (i) 50% coursework and 50% examination; or
- (ii) 60% coursework and 40% examination.

## **D.205 PROMOTION RULES**

Unless Senate decides otherwise and subject to Rule A.3.2.3 or as provided for in the Faculty rules:

**D.205.1** A full-time student shall complete the programme in one year. A student who has passed at least 90 credits may proceed with their studies to complete the programme in the following year.

**D.205.2** A part-time student shall complete the programme in two consecutive years and accumulate at least 45 credits per annum to proceed with their studies. A student who has accumulated at least 90 credits within two years may be allowed to proceed to the following year to complete the programme.

## **D.206 RENEWAL OF REGISTRATION**

Renewal of registration shall be governed by Rule A.4 as stipulated in the University Calendar: General Information Part 1 or as provided for in the faculty rules as contained in this Calendar.

## **BACHELOR OF COMMERCE (HONOURS) (1701)**

### **D.207 ADMISSION**

Unless Senate decides otherwise, a student shall be required to meet the following criteria to be enrolled for the **Bachelor of Commerce Honours Degree – BCom Hons (as indicated in D.210 below)**:

**D.207.1** a Bachelor of Commerce Degree (or equivalent Commerce Degree) with 60% or higher in the exit level modules in the discipline of choice.

#### **D.207.2 Admission into Industrial Psychology**

**D.207.2.1** An applicant requires a Bachelor's Degree with Industrial Psychology/Human Resources Management as a major (or equivalent qualification) for admission to the Honours programme in Industrial Psychology.

**D.207.2.2** An applicant should have obtained an average of at least 60% in the exit level modules in Industrial Psychology/Human Resource Management with a sub-minimum of 55% per module. The Department of Industrial Psychology reserves the right to limit the annual intake of students for the Honours programme based on a consideration of both the internal capacity of the Department and/or academic performance of applicants.

**D.207.2.3** An applicant who has not completed the required undergraduate and/or equivalent modules in Industrial Psychology shall not be allowed to register for this programme.

**D.207.2.4** An applicant from another university, Faculty and /or Department will have to meet the requirements as stipulated by the Department. Such requirements shall include the completion of a bridging programme (i.e. relevant modules to be prescribed by the Department) and the student obtaining a pass mark of at least 60% per module. Each case shall be assessed in terms of the individual merit and at the discretion of the Department.

**D.207.2.5** An applicant who chooses Industrial Psychology and who has completed a Bachelor of Commerce Degree but not in Industrial Psychology may apply to complete the outstanding modules as an occasional commerce student. However, the completion of prescribed occasional commerce modules in Industrial Psychology does not guarantee the applicant an automatic entry into the Honours programme. An applicant who has completed the prescribed occasional commerce modules will still be subjected to a formal selection process. The Department of Industrial Psychology reserves the right to limit the intake of occasional commerce students based on a consideration of both the internal capacity of the Department and/or academic performance of the applicant.

### **D.330 ADMISSION REQUIREMENTS**

Unless Senate decides otherwise, a student shall be required to meet one of the following criteria to be enrolled for the **Master of Public Administration Degree – MPA**:

- D.330.1** An Honours Degree, BTech or equivalent in public administration or a related field;
- D.330.2** Advanced Bachelor's Degree (e.g. LLB or BEd) or equivalent, plus demonstration of competence to proceed at the Master's level in the fields of governance and public administration;
- D.330.3** Four-year Bachelor's Degree or equivalent, plus demonstration of competence to proceed at the Master's level in the fields of governance and public administration;
- D.330.4** A Bachelor's Degree, plus postgraduate diploma in public administration or a related field.
- D.330.5** Three-year Bachelor's Degree in public administration or a related field, plus appropriate practical work experience, and demonstration of competence to proceed at the Master's level.
- D.330.6** A Postgraduate Diploma in public administration or a related field, plus appropriate practical work experience, as well as demonstration of competence to proceed at the Master's level, where the postgraduate diploma holder has no previous degree.
- D.330.7** A minimum of 60% average required for admission.
- D.330.8** Where practical experience is part of the admission requirements, the School will normally require evidence of a minimum of three appropriate experience. In assessing the relevance of such experience for the purpose of admission, however, the School will attach greater weight to the competencies gained from such experience than to the length of experience per se.
- D.330.9** Subject to approval by Senate, upon the recommendation of the School and Faculty, an applicant may also be admitted into the MPA, provided that they are able to demonstrate that they have in any other manner attained a level of competence sufficient to enable them to embark successfully upon the programme, in line with the University regulation A.2.1.4 and the University's competency guidelines.
- D.330.10** An applicant applying under the requirements in D.330.5 must provide three references, two of which must be of an academic nature. In the case of an applicant who must demonstrate evidence of practical experience, the third reference must be from a previous employer. The references for applicants applying under Rule A.2.1.4 should demonstrate the applicant's competence for postgraduate study.
- D.330.11** In the case of an applicant who has attained an Upper Second or equivalent in a previous Honours Degree or equivalent in public administration or a related field, selection will be on the basis of the application form, transcripts, references and statement. An applicant may also be required to attend an interview. All other applicants will be required to attend an interview, as well as to furnish a portfolio of evidence demonstrating their competence to proceed at the Master's level in governance and public administration.

**D.330.12** An applicant who falls within regulation A.2.1.4 will be required to attend an interview and to furnish proof of the required number of years work experience. In addition, they shall be required to submit and defend an essay or practical assignment on a topic set by the school. Where appropriate, they shall also be required to submit a portfolio of previous work done.
